

## BARGAIN BIN Items updated: April 1, 2010

**If you don't mind a slightly imperfect copy of a book, then look no further.** Save 40-50% off retail when you buy these items--a great way to "try it out." Although these items aren't quite perfect, they are still useful--especially because of their extra-low prices! (These items have found their way into our Scratch & Dent Shelf because they are either gently used, dented in shipping, contain a mislabeled or misprinted cover, or may be an older version of a product.)

All clearance items are limited in quantity\* and available on a first-come, first-served basis. We cannot guarantee availability when you call. Please note that clearance items are purchased "as is" and not returnable. \*\* Price does NOT include shipping & handling costs.

**NOTE: TELEPHONE ORDERS ONLY 1-888-573-3953 (Mon-Fri, 9am-5pm, central). Please have this list handy when calling.**

**Even if we sell out of one of the items below, we still have brand new copies available in our SHOP ONLINE section.**
